

CHESTER COUNTY BOARD OF EDUCATION
Discipline Code
Grades 4-12
Adopted May 17, 2007

The Chester County Board of Education has established this code of behavior and discipline in order to facilitate an atmosphere conducive to learning in all schools. This code provides a fair and adequate means of enforcing the rules of expected behaviors. Students are expected to conduct themselves in an orderly, proper manner at all times. Any school employee (principals, teachers, substitute teachers, teacher-aides, office staff, bus drivers, cafeteria staff, janitorial staff) has the responsibility and authority to address student misbehavior anywhere in school buildings, on school grounds or buses, as well as any off-campus school sponsored activity. The principal has the authority to make judgments on any conduct that is beyond the scope of good behavior and not included in this document. In the event of special or unusual circumstances, the building principals also have the authority to modify the disciplinary procedures outlined in this Code.

* For any infraction of the rules the principal may require a session with a school counselor to address behavior issues. This is not considered as a punishment for a rules infraction but as a proactive approach to prevent further misconduct.
